Sir/Madam,

As reported by the AGM, Nysa communications Pvt. Ltd. an India's leading E-Governance & Education provider, some colleges, while submitting the Examination forms/Particulars of the students, admitted in their colleges to UG, Engineering and IT/mgmt courses (Semester system) through online, have not mentioned the optional papers of the students and also their photo-signatures .There are about 3500 students who did not mention their optional papers and about 5000 students are without photo-signatures.

Since the Exam of the above students of such courses is being commenced w.e.f. 1 Dec, 2011 and the office of the Nysa communications Pvt. Ltd. is not in position to complete the job(S), in hand, in the absence of availability of optional subjects of the candidates and their photo-signatures. You are therefore, requested, to look into the matter minutely consulting your record and arrange to provide optional papers of the students concerned and their photo-signatures properly through online up to 10th November, 2011 failing which your college will be responsible.

Hoping for favorable and early action.

Yours faithfully,

Controller of Examinations
