.....

Dear Sir /Madam,

The Department is organizing a National seminar on “**Molecular Techniques: The Face of Modern Sciences**” on October 24, 2011. The modern molecular skills and their applications are need of a biologist in this era. In view of this, eminent scientists working in this domain are requested to deliver talk on this occasion. You are invited to participate in this seminar.

Researchers and students will have a best opportunity to interact with experts.

Looking forward for your gracious presence to add vibrancy to the entire event.

Convener

Time: 9.00 am, Venue: DDE Conference Hall

Registration Details:

	Before 17th October	On spot
MSc. Students	Rs.100.00	Rs. 150.00
Research Scholars & Faculty	Rs.200.00	Rs. 250.00

Note: After the seminar, Department will also organize hands on training for Real Time PCR Technology for a limited number of participants. Accordingly, the interested participants are requested to post the resume as earliest possible at biochemistryoffice@gmail.com. After the recommendations of screening committee, candidate will be informed about date and time for the training in Roche Diagnostics India Pvt. Ltd. Training Centre at Delhi.
