1. The Board considers the issue of practical examination to be held annually in the even semesters for B.A. Pass Courses in the subject of Home Science and B.Sc. (Home Science). The Board did not find the merit in this proposal in the interest of the student and uneven size of the schemes of examination and not inconsistent with neighbouring universities of the NCR. However, the Board recommends the re-introduction of the annual system in theory as well as practical examinations to avoid the time consumed for theory / practical examinations and preparatory days, twice a year.
2. The Board approves the scheme of examination B.Sc.(Home Science) and detailed syllabi by incorporating 20 % internal assessment marks in the theory papers and dividing the syllabi of each paper into four units and the pattern of the question paper as approved by the Academic Council w.e.f. the session 2011-2012.
3. The Board recommends the panel of examiners for B.A. Pass Course in the subject of (Home Science) and the same is being sent to D.R. (Secrecy) in a sealed cover.
4. The Board recommends the panel of examiner for B.Sc. (Home Science) for each semester and the same is being sent to the D.R. (Secrecy) in a sealed cover.
