Executive Engineer

Endst. No. EE/ 2013 / 2913-2972

Dated: 04-07-2013

TENDER NOTICE

Sealed tenders are invited from the Service Providers of National repute for providing housekeeping (cleaning, dusting , sweeping , complete), complete electrical maintenance and public health maintenance services at part of MDU Campus, Rohtak; University Institute of Law and Management Studies(UILMS), Gurgaon and Indira Gandhi Post Graduate Regional Centre (IGPRC), Meepur (Rewari).

(A) SCOPE OF WORK :

1. The outsourcing will be done for housekeeping (cleaning, dusting, sweeping complete), overall internal electrical maintenance and public health maintenance complete of the all buildings and cleaning of roads situated on Eastern side of Hardwari Lal Road including Hardwari lal Road except Humanities Block and Everest Boys Hostel (held with IIM Rohtak), Swimming Pool building(held with other agency), Sub Stations, Shopping Complex near Boys Hostels, Transit Hostel, DDE Building, Chemistry Department building, Old Bio-Chemistry Department building, Law Department building, IMSAR building, Ambedker Hall, Krishna Girls Hostel (held with PGI), Central Co-op Bank, Private Canteen near Library, small private booth along the road. The buildings of War Memorial, Freedom Fighter Complex, Street Light, over head & under ground HT/LT electric line, main water line, main sewer lines, Horticulture and carriage of garbage outside the University premises are also not the part of this contract.
2. The responsibility of service provider starts from the electric meter and replacement (excluding the maintenance of meter) i.e. overall internal electrical maintenance including repair of all service main cables, water connection of the building from the main water line and sewer connection upto main sewer lines (including the water and sewer connections with main line). For any work which involves labour for tunneling in wall / digging / filling earth, breaking of wall, floor, ceiling, redoing of flooring, wall, ceiling, etc. in cases where a pipe, pipeline, sewer line, cables etc is required to be repaired/replaced the same will be done by the agency. However for a new water/sewer/electric connection is required to be provided, the agency, after full examination of the site requirements in such cases, will submit an estimate with/without material to the Controlling Officer for his approval and take up the work only after the estimate has been duly approved. For rough cost estimate calculations, the labour rate will be as per DC rates and cost of material will be based on local market rates. The agency shall submit bills in respect of such works within one week of its completion to facilitate proper inspection.
3. The service contract includes the cleaning of roads which have been black topped / CC roads, footpaths, hard-standings, parking areas of the zone and also includes the roads, hard-standings areas near and around of the buildings. Certain roads, footpaths and Hard-standings are under construction. These shall be included in the service contract as and when they are completed.

4. To clean the open and covered storm water drains including the culverts in this area especially before and during the rains.
 5. To clean the litters like polythene bags and other foreign materials from the area including open areas on Eastern side of Hardwari Lal Road including Hardwari Lal Road except areas where construction work is going on and especially excluded vide Para-I above .
 6. Maintenance of trees, grass, plants, lawns, horticulture work etc. is not the responsibility of service provider. However, keeping these clear of polythene bags, waste papers and such like other materials so as to give a clean look to the whole area will be the responsibility of the service provider. No earth/sand/rubbish shall be thrown in the flower/tree beds and over lawns anywhere. Contravention of this will lead to a fine of Rs. 500/- in each instance.
 7. Provision of security services of the buildings and area shall be dealt separately and shall not be part of this service contract.
 8. Certain buildings are under construction/ near completion in the area of proposed operation of service provider. The same shall be added to the service contract as and when completed on same terms and conditions with proportionate rate. These buildings are:-
 - (i) Psychology Building
 - (ii) Extension of Psychology
 - (iii) Mathematical Science Building
 - (iv) Mount Abu Boys Hostel
 - (v) Mini Auditorium Building
 and so on.
 9. The above buildings or any other building in that zone may be added to service contract on mutually agreed basis on same terms and conditions and on pro-rata basis considering 92% cost for covered area and the balance for premises, surroundings and the connecting roads etc of that building and zone.
- (B)** The whole area of MDU Campus, Rohtak; UILMS, Gurgaon and IGPGRC, Meerpur(Rewari) will be divided into following zones:-

a) BOYS HOSTEL ZONE:

Boys Hostel Complex including all the Boys Hostels and connected complexes such as roads footpaths, Lawns, open areas etc. The following hostels will be under this zone.

3. The acceptance of the quotation/tender shall rest with the committee constituted for the purpose and the committee does not bind itself to accept the lowest quotation and reserves the right to reject any or all items of quotation/tender without assigning any reason therefor. The Committee also reserves the right to accept quotation/ tender in part or whole i.e any item or any quantity or any zone and to reject it for the rest or to accept the tender in toto.
4. Initially the contract shall be awarded for a period of 1½ years and shall be extended/renewed for another 1½ years subject to mutual consent of both the parties with an increase of 5% on initially allotted rate to the agency, provided the services of the agency are found satisfactory.
5. If the performance of the agency is not found to be satisfactory at any time during the contract period, the University shall be at liberty to terminate the contract without any liability on its part by giving three months notice.
6. The agency shall indemnify/compensate MDU and its properties against any loss and / or damage caused or likely to be caused by any omission/neglect / action, demand, proceedings, prosecutions, attachments, non –payment of taxes, non-clearance of liabilities, non –observance of statutory laws /rules of the local bodies / State/ Central Governments and the like arising due to its workmen's fault and /or deficiency/negligence.
7. The University shall not be responsible for payment of any claim whatsoever made by the workmen engaged by the agency. The service provider will ensure all the safety precautions required for a job and ensure that his workmen are insured to cater for any mishappening inspite of all the precautions.
8. The University shall not be liable for discharging any financial, judicial and / or administrative commitments made by the agency to any entity whatsoever.
9. The agency shall be solely responsible for fulfilling its obligations towards its staff under various laws as applicable and amended from time to time . The contractor shall be responsible for payment of wages to its staff at the rates fixed from time to time by Deputy Commissioner Rohtak / Gurgaon / Rewari as the case may be.

10. The agency and concerned Head of the Department will jointly make a detailed service provisions programme which will be submitted to Engineer-in-Charge. If there is a deficiency in provision of service following will be deducted from the bills after giving the written notices on each occurrence by Engineer-in-Charge with copy to Registrar and Finance Officer, MDU.
- a) **Adequate trained Manpower or /and Machineries/ Equipments/Stores etc. not employed**
- Controlling Officer will assess the deficiency in service and cost saved by contractor plus 20% of such amount on each occurrence which may be increased upto 100% of repeated deficiencies.
- b) **Service not provided properly**
- Say toilets not cleaned properly, rude behavior by workmen, dusting /cleaning not done properly etc; in such eventuality Controlling Officer may impose penalty on agency ranging from Rs 100/- to Rs 1000/- for each occurrence and intimate the agency in writing on each occurrence. Copy of all such letters shall be endorsed to the Registrar and the Finance Officer.
- c) Cost incurred by MDU in getting the service completed satisfactorily, if any.
11. Register will be maintained for deployment of manpower and registering of deficiencies and complaints and prompt action taken. Controller of zone will have access to these registers whenever needed.
12. The agency must attach a list of equipments which the firm possesses for providing services in the Campus.
13. The dispute if any shall be subject to the jurisdiction of courts at Rohtak. Any other jurisdiction mentioned in the quotation/ tender or invoices or any other document shall have no legal sanctity.
14. Terms and conditions printed on Quotation/.invoice of the firm if any shall not be binding on the university except those mentioned specifically on the work order and acceptance of the work order shall be construed as the firms complete agreement to all the terms and conditions contained in the work order.
15. Any dispute arising with regard to any aspect of the contract shall be settled through mutual consultations and agreement between the contractor and the University. In case settlement is not arrived at, the dispute (s) will come under the purview of Indian Arbitration Act 1996 and the area of jurisdiction shall be Rohtak.

16. **Amendment to the MOU:-**

The obligations of agency and MDU have been spelt out of this MOU. However, during the operation of the agreement, circumstances may arise which may call for amendment or modification of the terms and conditions of this agreement. In such a situation, the amendments / modifications as may be mutually agreed upon shall be incorporated in this agreement.

17. **Doubts/Ambiguities:-**

If any doubt or ambiguity arises as to the meaning and effect of any provision (s) of this agreement, the same shall be referred to the Vice-Chancellor, MDU Rohtak for clarification. The clarification so provided by the Vice-Chancellor shall be binding on both parties.

18. Copies of all correspondence between the Controlling Officers and the agency, will be endorsed to the Engineer-in-Charge and the Registrar. All instructions/directions of the Controlling Officers and compliance report etc. by the agency shall be in writing. There shall be no verbal communication in these matters.

19. Whenever there is a duplication of clause either in the terms and conditions or in the agreement, the clause, which is beneficial to the MDU, Rohtak will be considered.

20. In case any other information/clarification is required, the agency may contact at Telephone No. 9416401254 on any working day(Monday to Friday) during office hours (9 a.m. to 5.00 p.m.).

21. The detailed instructions specific to a zone keeping within the parameters of the service contract after conclusion of the contract will be issued by respective Heads of the buildings / zone.

22. The Officer-in-Charge will ensure that the D.C rates of Rohtak / Gurgaon / Rewari as the case may be are being paid to the labourers, Electrician, Plumber etc . The service provider shall intimate the date of payment to the zonal-in-charge whose authorized rep. will have full authority to check the payments and the documents pertaining to the payments. However the format attached with this at Annexure 'A' will be submitted(daily filled) with the each running bill.

23. In case of failure of the agency after the conclusion of the contract the University reserves the right to call the other two lowest tenderers for award of the contract at the negotiated rates at the risk and cost of the engaged agency or otherwise to carry out the work at the risk and cost of the engaged agency or otherwise to carryout the work at their own risk and cost by other mean as deemed fit by University.

24. Other “General Rules and directions for the guidance of contractors” issued by MDU. Rohtak containing 17 pages will form part of the contact and can be had from the office of Executive Engineer.

-16-

25. The service provider shall raise the bills to the Engineer-in-Charge on monthly basis who will process the bills and make payments after fully satisfying.
26. MDU shall make payment of the bills within at the earliest after submission of correct and complete bills alongwith satisfactory report of the work from officers referred to.
27. The performance security of 5% of contract value including the earnest money of Rs. 10.00 lac will be submitted by the agency within 7 days of receipt of LOI. This balance security (excluding Rs. 10.00 lac) may be in the form of bank guarantee/bank draft in the name of Executive Engineer, MDU, Rohtak. It will be retained till the satisfactory completion of the service contact. The security shall be forfeited if the agency backs out without any reason from the contract besides forfeiting the due payment to the agency by MDU at that time.
28. MDU may secure additional man power for security and housekeeping etc. from agency on prevailing D.C. rates + 10% agency's profit for a specific purpose and specific period.
29. The agency shall be responsible of any type of mishappening with their workers during all type of maintenance / execution of work.
30. The agency shall provide the electrical and public health maintenance staff as per provision laid down by the Govt.
31. Terms and conditions printed on Quotation/invoice/RA bill of the firm if any shall not be binding on the university except those mentioned specifically on the work order and acceptance of the work order shall be construed as the firms complete agreement to all the terms and conditions contained in the work order and in the agreement.
32. Executive Engineer (Civil) will be the Engineer-in-Charge for this work.
33. No enhancement will be given to the agency above the awarded rates during the contract period, in any case.
34. The agency should be ready to start the work within a notice of 10 days.

(F) STANDARD OPERATING SYSTEM:-

The agency will work as per the following standard operating system. However this can be changed at any time with mutual understanding for betterment of the services.

1. The agency will set up a central complaint centre with the facility of a toll free helpline number and one Operator to receive complaints and enter them in the complaint registers to be maintained separately for electrical, public health, house-keeping and cleaning services for immediate action. The centre will be in a centrally placed and location for which space will be finalized by MDU. This helpline number will be circulated to all the HODs for information. The arrangement will ensure prompt action on the complaint by the agency.

2. The complaint can also be lodged with the respective Zonal Supervisors of the agency. The Supervisors will lodge the received complaints in the complaint register and will take immediate action to attend these complaints and then will note in the register, whether that the complaint has been attended or not (giving reasons for not attending the complaint(s)).
3. The Engineering Cell Officials i.e. SDE(Civil Maintenance), SDE(Electrical) on behalf of Executive Engineer(C-II), SDE(PH) will be the Officer In-Charge for Civil, Electrical and Public-Health services and will monitor and closely liaise with the agency and ensure attending of the complaints as well as for supply of material required for the same promptly. In case a complaint remains unattended despite the above procedure or in case of extreme emergency a complaint may also be lodged with the concerned SDE/JE who immediately on receipt of such complaints will direct the Officer-in-Charge or Supervisor of the agency to take prompt action on the complaint.
4. Regarding the materials for Civil, Public Health and Electrical Maintenance required by the agency, the same will be provided by the concerned SDE through the Central Store or in case of an emergency by purchasing directly from the local market after getting the approval from the competent authority. The concerned SDE/JE will check the authenticity of the requirement of the materials as well as certify its actual consumption.
5. Sanitary Inspector of Gen. Admn. Branch will monitor, control and liaise with the agency regarding house-keeping and cleaning work in all the buildings including all hostels as well as road and open spaces.
6. However, the concerned HOD/Branch Officer being the overall administrative In-charge of the building will be responsible to supervise, lodge timely complaints and ensure compliance for maintenance of electrical, public health, civil engineering works and for house-keeping and cleaning of the buildings under his/her control.
7. The agency will also stock the common items of daily use/consumption. The list of at least 3 months' tentative requirement will be sent by the agency to the Engineering Cell Store and the same will be provided by the Engineering Cell Store to the agency at the earliest against the bank guarantee of this material.

Executive Engineer

Appendix 'A'

Responsibility of the agency and Scope of Work-Tagore Auditorium

- (i) The agency shall provide services of housekeeping(sweeping and cleaning), maintenance of electrical fittings & equipments and maintenance of public health fittings in the Tagore Auditorium building and its premises.
