Moreover, such a teacher must obtain approval of the university in its individual capacity by submitting verification reports of concerned board/university within a year from his/her date of joining. From the next academic session, unapproved teachers shall not be awarded marks. The inspection committee will verify the proof of qualifications, salary in full grade including the basic pay+DA+HRA, salary paid through cheque, deduction of P.F., income tax deducted at source, copy of the salary register with signature of employee, the cash-book, copy of the bank pass book, so that the salaries of all the employees can be verified by a reconciliation of cash-book with pass book. The teaching and non-teaching staff should be in the working position on the date from which the classes were started. If the College does not fulfill the above conditions/norms, the marks allotted in the Performa for teaching and non-teaching staff shall not be awarded. In case of non-teaching staff the qualifications and selection criteria shall be as prescribed by the University.
2. The infrastructure and amenities shall be in actual acquisition. The land and building should be in the name of the institution and not in the name of a person. The building should be well furnished. In no case the marks shall be awarded if there is shortage of land or/and built up area. There shall be no course permissible on the same land and building other than AICTE/Central Body courses including schools and courses of Technical Education. The college shall be on the same land & building on which AICTE/Central Body has granted them recognition. Intake (Khatoni)/mutation may be submitted by the institute. Any change of site must be first allowed by AICTE/Central Body.
3. The books purchased in the library should be as per the requirement given by the rules of AICTE/Central Body for technical education. Library resources will include e-journals published and recommended by AICTE/Central Body. There shall also be provision of space for reading and reference in the library that can accommodate at least 20 persons at a time. The library shall have photocopier and computer with internet facility for the use of faculty and students. It is also desirable that every institution has a website of its own. There should be bills for books purchased and paid for it. Payments to various firms/shops must be verified through cash-book, cheque book and pass-book of the Society/Trust or institution. The inspection committee must bring the proof thereof. Otherwise no marks will be given for books and journals.

Payments against the bills made to various firms/shops must be verified through cash-book, cheque book and pass book of the Society/Trust. The Inspection Committee will bring the photo copy of the stock register, bills, cash book and pass book. If the Society/Trust fails to submit the above documents to the inspection committee no marks will be given.

5. It would be necessary to secure 71% and above marks in each of the three facilities (Teaching & Non-teaching staff, infrastructure & Amenities, Academic requirements) separately, to be categorized in 'A' Category else the institute/College would slide downward as per lower score. If the College secures 51% and upto 70% in each of the three facilities, separately it is to be categorized in 'B' category otherwise will be categorized in 'C' category.
6. If the College is running the other courses, other than B.Tech and M.Tech. course, the inspection committee should exclude the facilities required for that course while allotting the marks to the B.Tech and M.Tech Course.
