**Sub: Starting of M.Tech course other than the nomenclature approved by the AICTE and affiliation granted by the University.**

Sir,

I am directed to inform you that on the basis of approval granted by the AICTE, your Institute was granted affiliation to start M.Tech.(Mech. Engineering) course w.e.f. the session 2010-11. While registration of students for the session 2015-16, on the basis of seat matrix of all Institutions affiliated with the University, it has come to the notice of the University that you started M.Tech (Manufacturing & Automation) course instead of M.Tech (Mech. Engg.) without getting it approved through the Colleges Branch of the University. Your Institute misled the Registration as well as Examination Wing on the issue and arranged to get the students registered and examinations conducted of students admitted in the stream other than allowed by the University. As some of the students have completed their degrees and some of them are already registered with the University, it would not be fair at this stage to disallow them. Therefore, considering the interests of the students, the Vice-Chancellor has ordered :

1. That the students already having completed their course/admitted in the course other than approved by the University be allowed to continue subject to approval ex-post facto by the AICTE with a fine of Rs.2,000/- per admitted student from the session the course was introduced.
2. That fresh admissions for the session 2016-17 shall be considered for registration only in the courses for which affiliation was granted by the University and approval by the AICTE.

You are, therefore, requested to comply with the above orders immediately.

Yours faithfully,

Incharge (Colleges)
