Sub: Starting of M.Tech course other than the nomenclature approved by the AICTE and affiliation granted by the University.

Sir,

I am directed to inform you that on the basis of the then approval granted by the AICTE, your Institute was granted affiliation to start M.Tech.(Civil Engg.) course w.e.f. the session 2013-14. While registration of students for the session 2015-16, on the basis of seat matrix of all Institutions affiliated with the University, it has come to the notice of the University that you started M.Tech (Civil Engg. – Transporation Engg.) course instead of M.Tech (Civil Engg.) without getting it approved through the Colleges Branch of the University. Your Institute never informed the University for rectification/changes in approval from AICTE and misled the Registration as well as Examination Wing on the issue and arranged to get the students registered and examinations conducted of students admitted in the stream other than allowed by the University. As some of the students have completed their course and some of them are already registered with the University, it would not be fare at this stage to disallow them. Therefore, considering the interests of the students and the approval granted by the AICTE, the Vice-Chancellor has ordered to regularize the admissions already made by your college in the said course. Further, it has also been considered that you may be warned to be much careful in future.

Yours faithfully,

Incharge (Colleges)
