Subject: Special Personality Development Programme at University Campus.

Sir/Madam,

To provide more and more opportunities for the personality and confidence building among the students, the Students’ Welfare Department, M.D.U., Rohtak always works towards a right directions by providing more and more opportunities to our students to go under practice of improving communication skills and other aspects of personality development. This year, from 14 to 21 June, 2016 a special camp of personality development programme is being organized for Boys & Girls jointly at University campus. In this camp approximately 30-35 selected students will be the participated. As this is first experimental step, so this time no college share and student share is required as per practice for other camps. In this camp, there will be morning to evening exercises including yoga classes, extension lectures, debate, project ideas and re-creations will be included. You are, therefore, requested to recommend the names of one or two students of your college to participate in this camp. The boarding and lodging arrangements of the students will be made by the Students’ Welfare Department in Transit Hostel for boys and in girls hostel for girls. You are, therefore, requested to forward the names of the in a letter from your college with the academic details of the students, date of birth, permanent address, mobile No. alongwith medical certificate and risk certificate by the candidate. The application form which is used for other camp may also be used for this purpose. The last date of receipt of the application form is 1st June, 2016. As this is a first effort of the department so kindly take your personal interest to recommend the deserving students. You may respond the names of the participant(s) at directoryouth@yahoo.com.

Thanking you,

Yours faithfully,
