Institute: Vaish College of Engineering (MCA), Rohtak, Haryana.

Subject- EVC reported deficiencies – SAC recommendation- reg.

1. Whereas, the Institute was approved to run the Engineering College (MCA Courses) at Degree level for A.Y. 2002-03. Subsequent Extensions of Approvals were issued upto 2014-15.

2. Whereas, CVO vide Office Note No. CVOA/ICTE/Misc./2009/16 (UME-VCE) dated 23/04/2012 forwarded an undated complaint forwarded by CBI New Delhi regarding corruption in Approval Process and undue favor to Vaish College of Engineering. As per the approval of the Competent Authority copy of the CVO Note with the complaint was sent to RO, NWRO vide letter dated 27/12/2012 requesting to conduct EVC of all the Institutes under the Trust.

3. Whereas, subsequently, Complaint Cell vide Office Note No. 1-145/AICTE/CC/AB/2012/202 dated 26/02/2012 forwarded a Complaint dated 17/05/2012 received from Sh. R.K Mahendra, Manager of the College regarding irregular proposal for opening of Vaish Technical Campus at Vaish Engineering College premises. As per the Approval of the Competent Authority, RO, NWRO was requested to conduct EVC. RO conducted EVC of the institute on 26/05/2014 which reported several deficiencies.

4. Whereas, the Institute submitted its reply vide letter dated 13/10/2014. In view of the above, the matter was placed before the Committee on 11/11/2014 for decision on both the Complaints and report of EVC dated 26/05/2014. SAC recommended as follows:

“The Institute representatives appeared before the SAC. As the institute is seeking for the merger of both the institutes under application i.d. as 1-2016976342 (1-728272-AICTE) & 1-2016296041 (1-2928921). They have submitted their docs in line with their request of merger.

The committee after going through the findings / deficiencies of the EVC dated 26/05/2014, recommends for a fresh EVC to be conducted to ascertain the ground realities applicable for the merger.”

5. Whereas, as there is no provision for merger of two institutes as per APH, the recommendation of the SAC cannot be implemented. Therefore, the matter has been placed before the SAC dated 23-12-2014 for review of the recommendation of earlier SAC and decision. The SAC dt. 23-12-2014 recommended as follows:

“Vaish Education Society is running the two Technical Colleges (1) Vaish College of Engineering, running MCA programme (PID 1-1728272) and (2) Vaish College of Engineering running, B. Tech, M. Tech and MBA Programmes (PID 1-2928921). On the Complaint EVC was conducted in both the institutions on 26/25/2014 and as per EVC report several deficiencies were noted in both the colleges.

However, Show Cause Notice on the basis of deficiencies was given only with regard to the first college and for the second the matter is under process. The matter was placed before SAC on 11/11/2014 only with regard to the First College, wherein the representative of the institution sought merger of both the colleges though neither there was any such application nor merger is permissible as per APH.

However, it appears that it was not brought to the notice of the SAC held on 11/11/2014, that neither merger is permissible nor there was any application for merger. The SAC under the circumstances observed “Recommends for a fresh EVC to be conducted for ascertaining the ground realities applicable for merger”

Due to the aforesaid circumstances the matter has been placed for review before this committee. The committee after considering entire facts and circumstances and provisions of APH applicable recommends as under,

7th Floor, Chanderiok Building, Janpath, New Delhi-110 001
Ph.: 011-23724151 - 57, Website : www.aiote-india.org
1. The request for merger of the above two institutes be rejected as the same is not permitted as per the applicable provisions of APH.

2. On the basis of deficiencies noted by the EVC on 26/05/2014, fresh Show Cause Notice be given and the matter be placed before SAC for consideration and recommendation."

6. Whereas, accordingly, letter of rejection for merger of the institutes was issued to the Institute on 20.02.2015. However, the Show Cause Notice on the deficiencies reported by EVC was not issued to the Institute by oversight. Hence, ECA for 2015-16 was issued.

7. Whereas, as per the direction of the Hon’ble High Court in the case of Vaish Institute of Pharmaceutical Sciences under the same Trust and as per the decision of the Competent Authority, EVC has been conducted on 29.03.2016 by Regional officer, Chandigarh for all the Institutes by different committees on the same date to find out whether the infrastructure facilities and faculty are being shared between the Institutes.
