

## M.D. University, Rohtak

### **Revised Schedule of Online submission of CR/ Examination Forms & subject correction of all even semesters, Internal/Practical awards for odd semesters of Regular Courses**

There were many issues related to the schemes (schemes provided by the Academic branch were having inconsistency/deficiency), and students data and SAP server speed. More over due to prevailing political/social situation, Mobile Internet services were blocked by the Government. As a result the colleges and even UTDs were unable to complete the job in time. As there is no fault of the Colleges the schedule need to be revised. Proposed revised schedule is detailed below:
