Subject: - Schedule for Payment of One time Fees (Techno Management/Youth Festival/ Sports Entry Fees) from Affiliated Colleges

There was some confusion regarding start and end date for starting the penal for payment of one time annual fees by affiliated colleges, namely Techno-management fees/ Youth Festival fees, and Sports Entry Fees. The fees could not be maintained in time due to some technical and administrative difficulties. Permission may be granted to open the penal for payment of all these fees by affiliated colleges up to 23.12.2016.

Submitted for kind approval.
