Sub: Regularization of extra admissions made in B.Sc (Non-Medical) over and above the sanctioned intake for the session 2018-19.

Sir/Madam,

This has reference to your office letter No. GCD/2018/3185-86 dated 23.08.2018 on the above noticed subject

In this connection, I have been directed to inform you that your College made admission over and above the sanctioned intake and is in practice of repeating the same mistake time and again without seeking affiliation of the University of additional 20 seats even after giving the strict warning for which your college deserves penalty. However keeping in view the interest of the students the Vice-chancellor has allowed to regularize 11 admissions of B.Sc (Non-Medical) made by your college over and above the sanctioned intake, in anticipation of approval of the Admission Committee and also subject to imposing of financial penalty by the admission committee, so that such thing may not be repeated by your college in future.

You are directed to submit RR of these extra admissions within 10 days of the issue of this letter without any late fees, and thereafter, the schedule applicable for other Colleges shall be applicable as notified by the Academic Branch from time to time.

It is also to inform you that in future no admission shall be allowed against such extra seats and you are required to submit the complete proposal/request with fresh NOC of the State Government alongwith required application processing fee as per schedule prescribed in the fee structure of the University.

Yours faithfully,
