13. There is growing tendency among the students of various Colleges to approach the University for redressal of their grievances and for removal of discrepancies which is unfair. This malpractice jeopardizes the smooth working of the University. Therefore, the Colleges should refrain to direct the students to visit the University for redressal of their grievances and for removal of discrepancies. Instead of doing so, the College staff should be deputed to visit the concerned branch of the University for resolving the discrepancies, if any, as already mentioned in the Admission Brochure 2018-19.

14. It has also been observed that the Colleges/Institutes do not take timely steps for removal of discrepancy(s) and rush to the University for removal of the same only at the time of examinations which certainly creates hardship for the University as well as for the students. Therefore, Colleges/Institutes should take timely step to settle the discrepancy beforehand.
